BRAND STORY

Brand Story

Founded in 2008, ZEKIN has 16 years of experience in customized high-end security doors and windows. Its modern smart manufacturing base exceeds 155,000 m2, supported by over 800 brand stores nationwide. With a global outlook and insight into Chinese home lifestyles, ZEKIN maintains a premium, safety-focused brand strategy. Its brand value of RMB 15.311 billion earned it a place among China's 500 Most Valuable Brands for two consecutive years. It was named an Iconic Brand at the 9th China Door & Window Industry awards, received Germany's iF and Red Dot design awards, and led nationwide sales of high-end security doors and windows for three consecutive years.

ZEKIN offers one-stop solutions covering casement windows, hinged doors, sliding windows and doors, folding doors, sunrooms, aluminum-wood doors, shower enclosures, curtain walls and all-aluminum armored door systems, bringing a comprehensive, high-quality home experience to users worldwide.

BRAND STRENGTH

Brand Strength

ZEKIN Development History

A New Chapter | TODAY

Brand value has risen to RMB 15.311 billion, with three consecutive years of sales leadership in China's high-end security door and window sector. ZEKIN continues toward its goal of becoming a globally recognized brand.

Deepening Our Reach | 2022-2023

Online retail and a refreshed brand identity were launched. Investment in a smart production and sales base drove growth. Brand value reached RMB 10.632 billion, joining China's 500 Most Valuable Brands.

Outstanding Strength | 2020-2021

International martial arts star Donnie Yen became the brand ambassador, supported by sustained advertising investment in the tens of millions of RMB.

Rapid Growth | 2018-2019

The company was renamed Foshan Deslaisi Home Technology Co., Ltd., with a major increase in production capacity.

Quality Innovation | 2016-2017

Craftsmanship earned 18 honors, including China's Top 10 Door & Window Brands and Consumer Favorite Brand.

Forging Ahead | 2014-2015

Foshan Deslaisi Aluminum Co., Ltd. was formally established. Eight high-end security supply chains were launched, leading new trends in safe doors and windows.

Strong Foundations | 2011-2013

Three material supply chains gained momentum: Deslaisi aluminum, Weihao aluminum and Guanyaotong glass.

Brand Launch | 2008-2010

ZEKIN was established, building four processing supply chains: Qianjiamei water-based coatings, Haojiang sprayed wood-grain finishes, Gaomei crystal electrophoretic finishes and Yuanmei skin-feel ceramic electrophoretic finishes.

PRODUCT DETAILS

Product Details

DETAIL DESIGN

Precision-carved Artistry

Precision carving with a fluorocarbon coating creates an elegant, refined finish.

Automotive-grade EPDM Seals

High-quality EPDM seals resist wear, corrosion and aging.

Energy-saving Thermal Break

Thermal breaks interrupt heat transfer, reducing energy use and improving efficiency.

Strong 3.0 Aluminum Profiles

Quality aluminum profiles strengthen the frame and resist long-term deformation.

Flame-retardant Graphite Core

High-density, eco-friendly graphite board provides insulation and flame-retardant protection to help safeguard life and property in a fire.

Multi-layer Anti-theft Design

Reinforced materials and multiple locking points improve resistance to forceful impact.

Smart Fingerprint Lock

Advanced biometrics and remote lock-status checks keep you informed and secure.

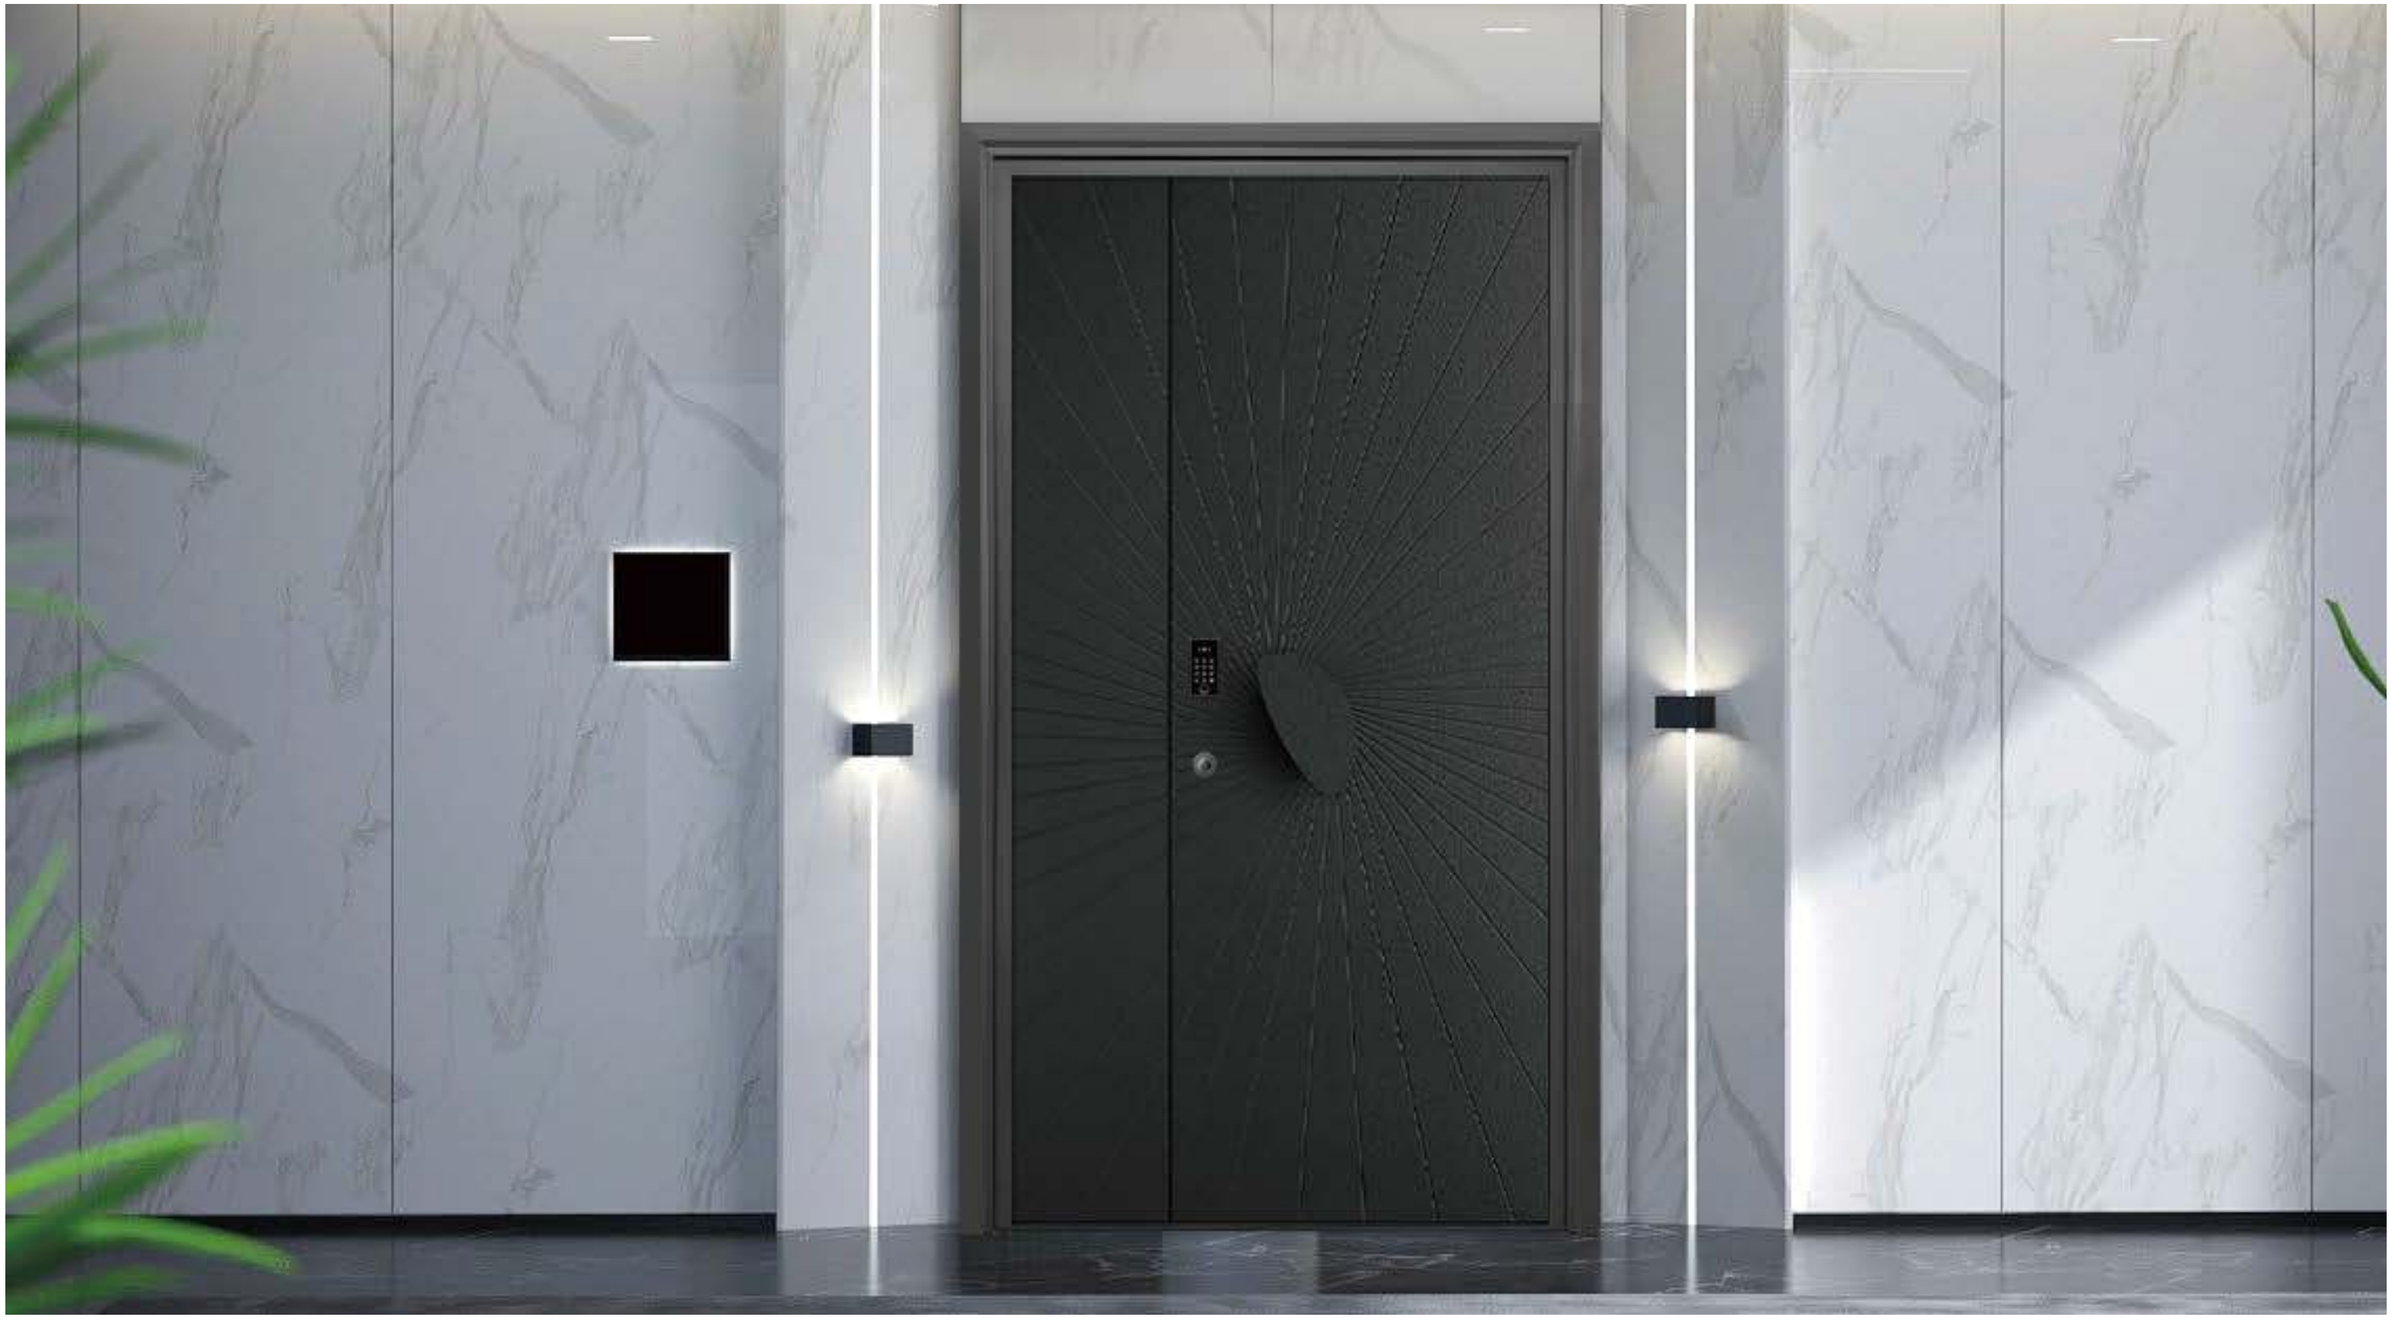

Precision-made Hinges

Concealed 304 stainless steel hinges combine an elegant appearance with practical strength.

Precision Structural Design

Multiple Sealing Layers

HIGH-END SECURITY

A Grand Welcome

Every opening welcomes the warmth of home and a glimpse of the wider world.

Craftsmanship in Every Detail

Premium materials selected worldwide reveal quality in every detail.

Beautiful Design, Practical Art

Minimalist aesthetics turn everyday arrivals and departures into an artistic experience.

Smart, Safe and Convenient

Remote smart lock control puts security and convenience at your fingertips.
